

Smok Workshop D.I.Y

Trip Overview and Itinerary:

For 20 years, Senteurs d'Angkor has valued the local handcraft. By creating meaningful souvenirs from Cambodia, Senteurs d'Angkor mission is to highlight the know-how of Khmer people and the richness of their land. You can now play a part in this mission by making your own souvenirs working directly with our artisans. Book a DIY Workshop Activity. Learn from a local expert. Bring home your creation and a new set of skills.

What's Included: transport by Tuk Tuk, workshop fee, bottle water, artisan expert

What's Not Included: Travel insurance, meals, personal expenses

Pick Up Details: Pick up and drop off at hotel

Detailed Itinerary:

Get pick by Tuk Tuk driver and take a short ride to the workshop. the sugar palm tree is one of the Cambodian national icons; it plays a very important role in providing material for many home uses as thatch for roof and walls, mats, baskets... At Senteurs d'Angkor, we use theses leaves to create boxes that we call "smok"; the eco-friendly packaging of our products. With guidance and hands-on practicing, you will learn how to make smok and bring the skill with you. Droff back at hotel.
