Pick Up Details: Pick up and drop at hotel by Tuk Tuk

Detailed Program:

At agreed time (morning or afternoon) we will pick you up by Tuk Tuk from the hotel and transfer to our quad station just outside the town. After a short safety brief and familiarisation training ride you will head out to one of the villages surrounding Siem Reap. There are plenty of photo opportunities along the way: buffalos resting in water, kids running home from school, local vendors selling food from their living rooms. Don't be shy to stop and chat with locals – it's the best way to learn about Cambodian lifestyle. All rides are accompanied by by our professional guides. Tour finishes back in our office. After you wash mud off your feet and take a refreshing drink, we will transfer you back to your hotel in Siem Reap.
