

Unique Kayaking Tour Half Day

Trip Overview:

Visit beautiful Khmer floating village untouched by tourists and stunning countryside scenery with palm trees & rice paddies. Explore and kayak through floating villages or mangroves in high water season while in low water season, kayak through the Tonle Sap Lake with great scenery and seeing rare birds.

Tour Highlights Include:

- Experience the daily life with warm friendly smiles
- You are in the good hands of our professional team
- Amazing birds with a nice touch of tranquility and peaceful surroundings
- Interact with the local people learning about their daily lifestyles living on the lake
- Spectacular sunset (afternoon tour) over Tonle Sap Lake

What's Included: Experienced English-speaking tour guide, transport by Tuk Tuk, Kayak, safety equipments, snack, bottle water

What's Not Included: travel insurance, meals, personal expenses

Pick Up Details: Pick up and drop off at hotel

Detailed Itinerary:

You will be transferred from the hotel in Siem Reap to Tonle Sap, Mechnrey where you will be amazed as you kayak gently through this floating village where you will be welcomed by warm smiles from the humble Cambodian people who live on this fantastic lake or you can cruise on the boat in the village and kayak gently to the Tonle Sap Lake with great scenery and seeing rare birds. Our professionally trained guide will be able to explain the local customs on how the local people live, work, and trade before stopping at a great spot for a stunning sunset (afternoon tour only) over great Tonle Sap Lake if you choose to do the sunset before transferring back by boat where our air-conditioned vehicle will be waiting to transfer you back to Siem Reap town and free relax as your leisure time.

Additional information:
